TO WHOM IT MAY CONCERN

This is to certify that **Md. Mahfuj Hasan**, Student ID: **41220100091**, a student of the Department of Computer Science & Engineering (CSE) at Northern University Bangladesh, has successfully completed his **3-month of Industrial Training at Business Automation Limited**. His training period was from October 15, 2025 to January 15, 2026. During this period, he was actively involved in industrial training activities under the CIRT & Infra Team, where he worked on Cyber Security and DevOps-related tasks. His responsibilities included assisting in bug hunting and penetration testing, performing system and security monitoring, supporting vulnerability assessment processes, and preparing basic security reports. He also contributed to deployment support activities and assisted in infrastructure operations under supervision. Through these responsibilities, he gained practical exposure to real-world security operations, DevOps workflows, and enterprise IT infrastructure management.

We found **Mr. Hasan** very dedicated to the work assigned. He is result oriented, professional, and sincere. He carries excellent interpersonal skill and knowledge which helps to complete a lot of valuable business assignments. To the best of our knowledge, he is not related to any antisocial work.

We wish all the success in his future endeavors.

Yours truly,

A. K. M. Ahsanul Kabir
